

Native Plant Sources

Green Spring Garden. Alexandria, VA.

Visit the greenhouse and shop for plants, gardening tools (staff favorites) and other useful gifts and gardening items. The Green Spring Library is open daily. This non-circulating library features horticulture books and magazines, plant society newsletters and a community kiosk filled with information about local horticultural events.

Earth Sangha Wild Plant Nursery. Springfield, VA.

Designed to provide a comprehensive and genetically appropriate plant supply for restoration work in the Washington, DC, region. They work with over 220 species of native trees, shrubs, vines, and herbaceous (nonwoody) plants, all grown from seed that we ourselves collect from local forests and meadows.

Nature by Design. Alexandria, VA.

Offers a range of native trees, shrubs, perennials, and annuals for the Chesapeake Bay watershed.

www.nature-by-design.com/

Environmental Concern. St. Michaels, MD.

A wholesale facility that provides native plants for members of the nursery and restoration trade, as well as retail customers. An appointment is required to visit the facility and plant orders should be placed at least 72 hours in advance.
